

In preparation for Entergy’s planned OASIS conversion to OATi’s webOASIS application, Entergy and the ICT would like to announce to the user community the following training dates:

<u>When</u>	<u>Location</u>	<u>Topic (planned)</u>
Tuesday, Sept. 8 (1 p.m. – 3 p.m. CDT)	Live Meeting	AFC/Flowgate Reports
Tuesday, Sept. 15 ((1 p.m. – 3 p.m. CDT)	Live Meeting	User driven
Thursday, Sept. 17 ((1 p.m. – 3 p.m. CDT)	Live Meeting	AFC/Flowgate Reports

Please note the training topics planned are subject to change based on user feedback.

In addition to scheduled training, the “demo” webOASIS is reserved for Transmission Customer use from 1pm to 3pm Sept. 8-11 and Sept. 14-18 from 1 pm to 3 pm CDT. Users are encouraged to confirm their account setup and access during this time. The ICT will be available during these times to interact with the Transmission Customer to practice TSR processing.

Please note that all TSRs entered on the demo site are non-binding and will not impact the current production system at any point in time.

Users are welcome to visit the demo webOASIS at any time though please be advised that work related to preparation for the conversion may result in an unannounced interruption of the demo site availability. Only the times above are reserved for the users.

The demo webOASIS URL for Entergy is: <http://demo.oatioasis.com/EES/index.html>.

Registration for Training

The training format is “Live Meeting” which will require email registration for participants. Please click on the links below to register:
