Revised OATT

The Régie de l'énergie approved in decision [D-2012-066](#) the revised French and English versions of *Hydro-Quebec Open Access Transmission Tariff* ("OATT") as of June 6, 2012, and the transmission rates, ancillary services rates, loss factor and rate rider as of January 1, 2012.

The OATT and the decision are available on the Régie de l'énergie's Internet site at the following address:

<http://www.regie-energie.qc.ca>

The OATT is also published on Hydro-Québec TransÉnergie's OASIS site.
