

**HYDRO-QUÉBEC TRANSMISSION SERVICE PROCEDURE**

**REQUEST TO CONNECT A GENERATING STATION (DECISIONS D-2006-66 AND D-2007-08)**

Note: This flow chart is for information purposes only and must in no way be construed as taking precedence over the terms and conditions in the *Hydro-Québec Open Access Transmission Tariff* approved by the Régie de l'énergie, which is the official version. TransÉnergie cannot be held liable for any error or omission arising from this chart.
