Date of Update:

16-Sep-08

Customer	Resource	Unit	Source	Sink	Percent Owned	Resource Capacity (MW)	Capacity Designated as a Network Resource (MW)	Start Time	Stop Time	Location of DNR	Electrical Location
LGE	Bluegrass Generation Purchase	1	LGEE	LGEE	0	165	165	June 1, 2008	October 1, 2008	Oldham County, Kentucky	Buckner 345kV
LGE	Bluegrass Generation Purchase	1	LGEE	LGEE	0	165	165	June 1, 2009	October 1, 2009	Oldham County, Kentucky	Buckner 345kV

Note 1:Resource Capacity and Capacity Designated as Network Resource based on the higher of the summer or winter rating

Note 2:Ohio Falls is a run of the river plant, the 52MW represents a seasonal average output, the maximum capability of all units is 80MW

Note 3:Service under the present LG&E/KU Tariff began on September 1, 2006, used this date as the Start Date for carry-over transaction from previous tariff

Note 4:Trimble Unit #2 - 25% of unit has been sold to IMEA and IMPA
