

## Voluntary Consent Provision

Pursuant to Section 7(c) of the NLSO Code of Conduct, a Transmission Customer may voluntarily consent, in writing, to allow the NLSO or an NL Transmission Owner, as applicable, to disclose the Transmission Customer's non-public information to Marketing Function Employees. Upon Transmission Customer's execution of an authorization for the NLSO or a NL Transmission Owner to the customer's information to Marketing Function Employees, the NLSO will post notice on OASIS of that consent along with a statement that it did not provide any preferences, either operational or rate-related, in exchange for that voluntary consent.
