

Waivers

Pursuant to Section 7 (i) of the NLSO Code of Conduct, the NLSO is required to post on OASIS, within one business day, a notice of each Waiver of any provision of a Transmission Service Agreement or the NL Transmission Policies and Procedures that the NLSO grants in favor of an Affiliate, unless such waiver has been approved by the PUB. The NLSO also maintains a log of the acts of Waiver and keep such records in accordance with its record retention policy.

Below is a table listing waivers of any provision of a Transmission Service Agreement or the NL Transmission Policies and Procedures granted to an Affiliate:
