

Southern Company Transmission

2010 Transmission Customer Forum

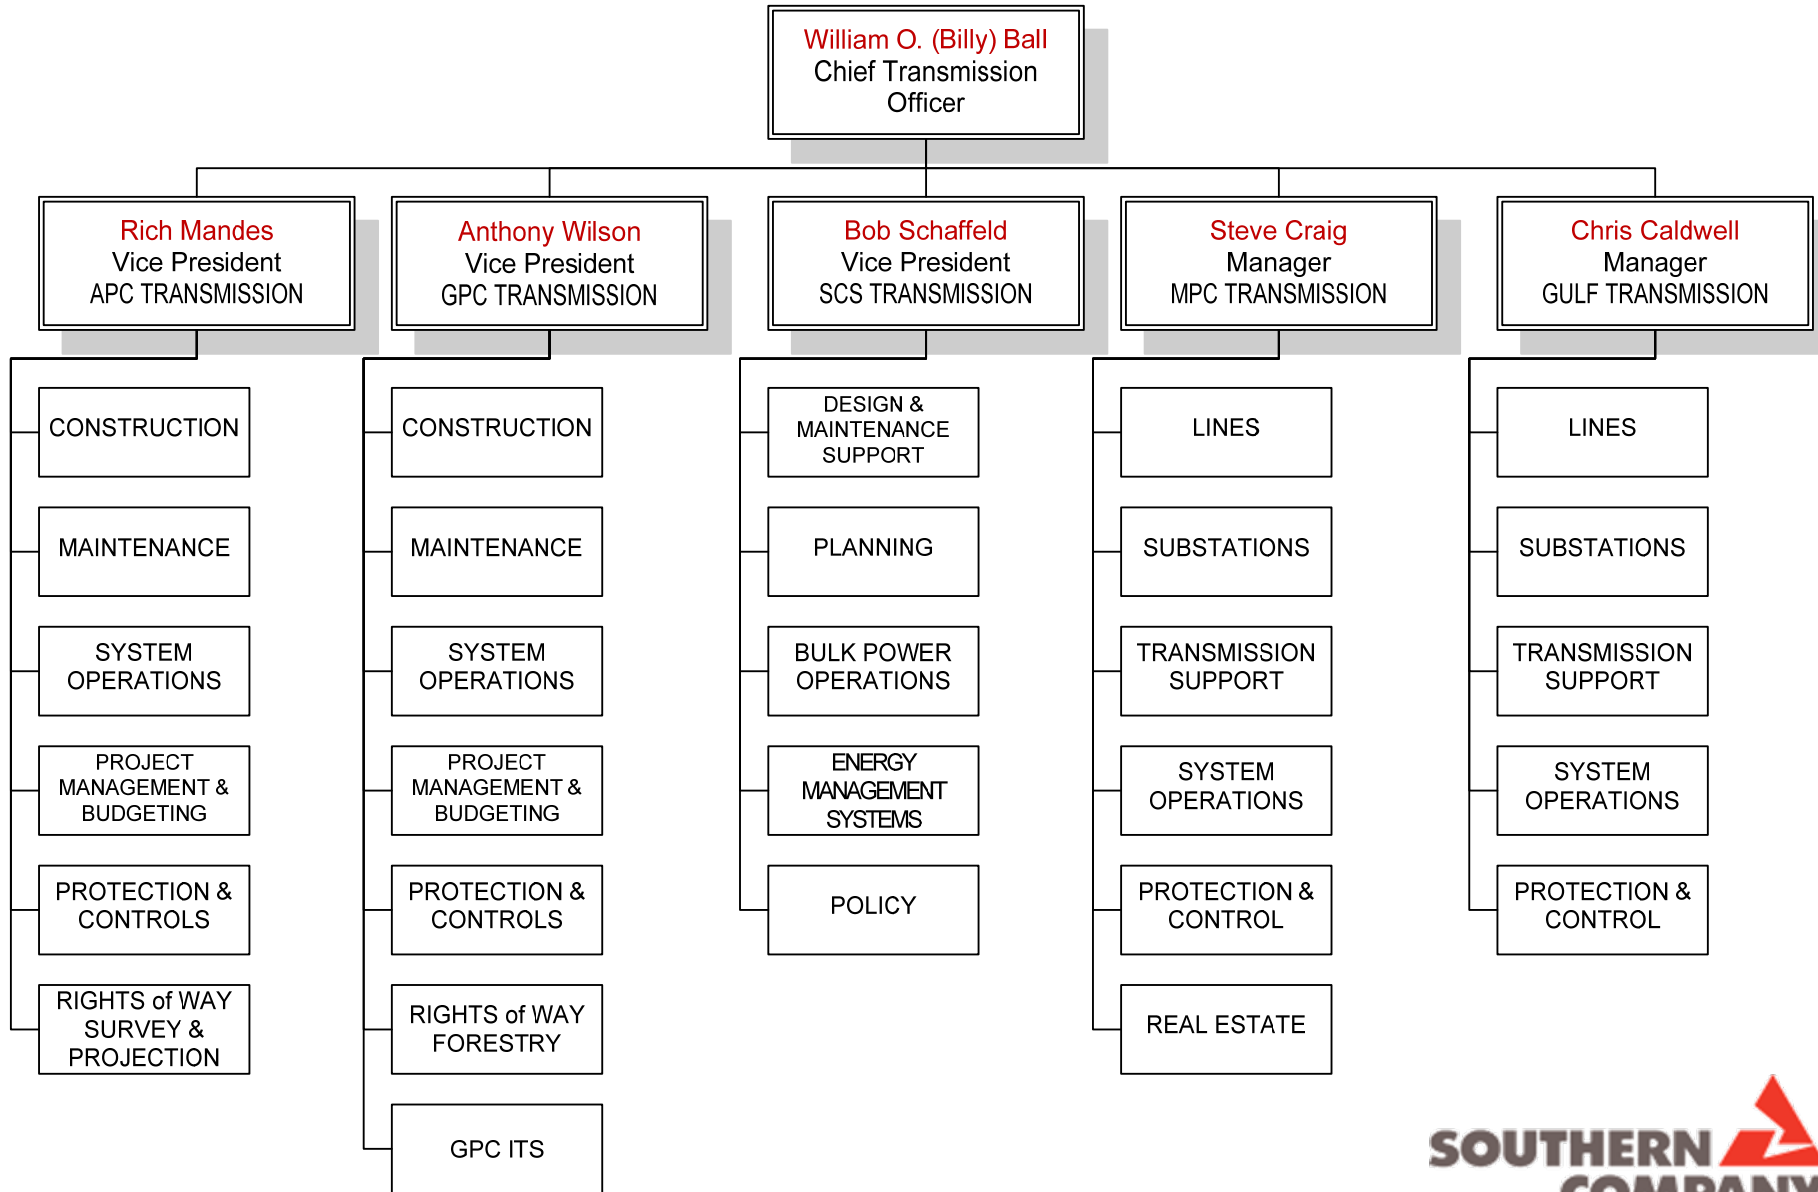

September 30, 2010

Bob Schaffeld
VP SCS Transmission

Southern Company

* SCS provides a variety of services for each operating company.

Because we value our customers...

It is important that we:

- Keep you informed on important issues related to transmission service and the tariff;
- Listen to your concerns and;
- Take the time to say

Thank you! We appreciate your business!
